You can never plan the future by the past.

Burke

So often do the spirits  
Of great events stride on before the events,  
And in to-day already walks to-morrow.

Coleridge

267295

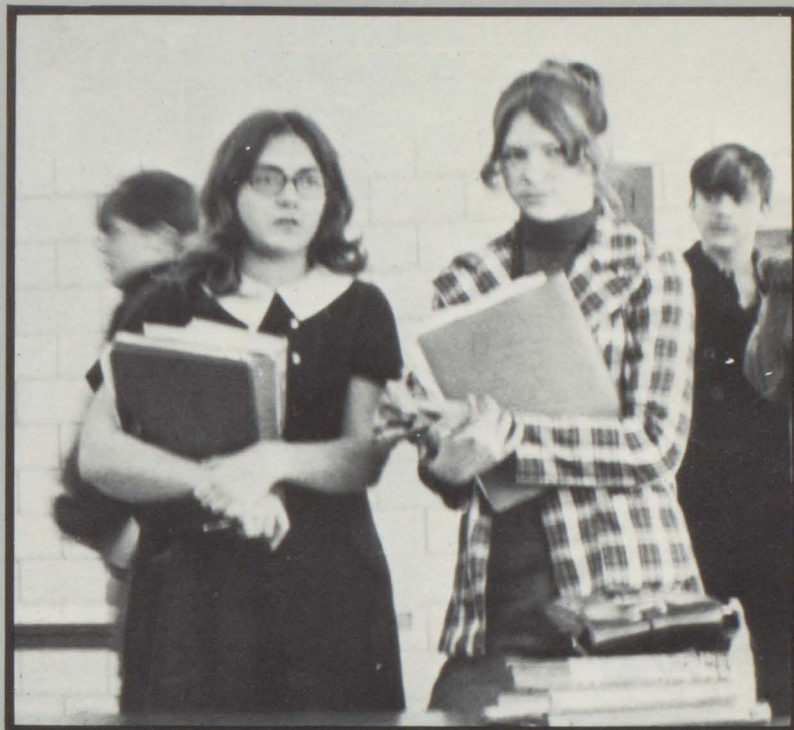

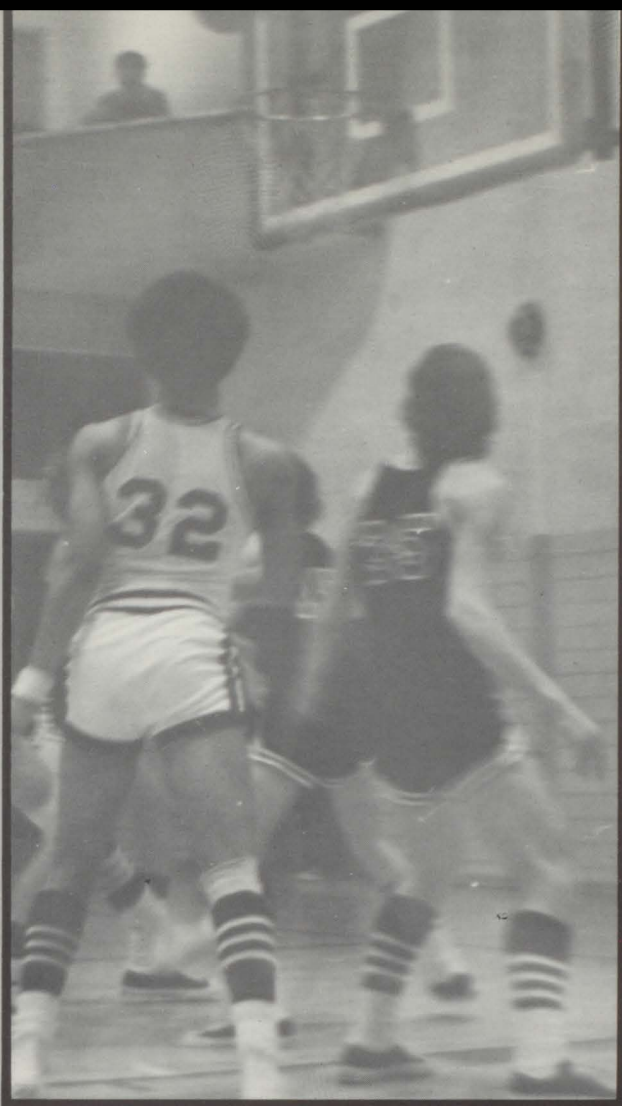

Look not mournfully into the Past; it  
comes not back again. Wisely improve  
the Present; it is thine.  
Go fourth to meet the shadowy Future  
without fear and with a manly heart.

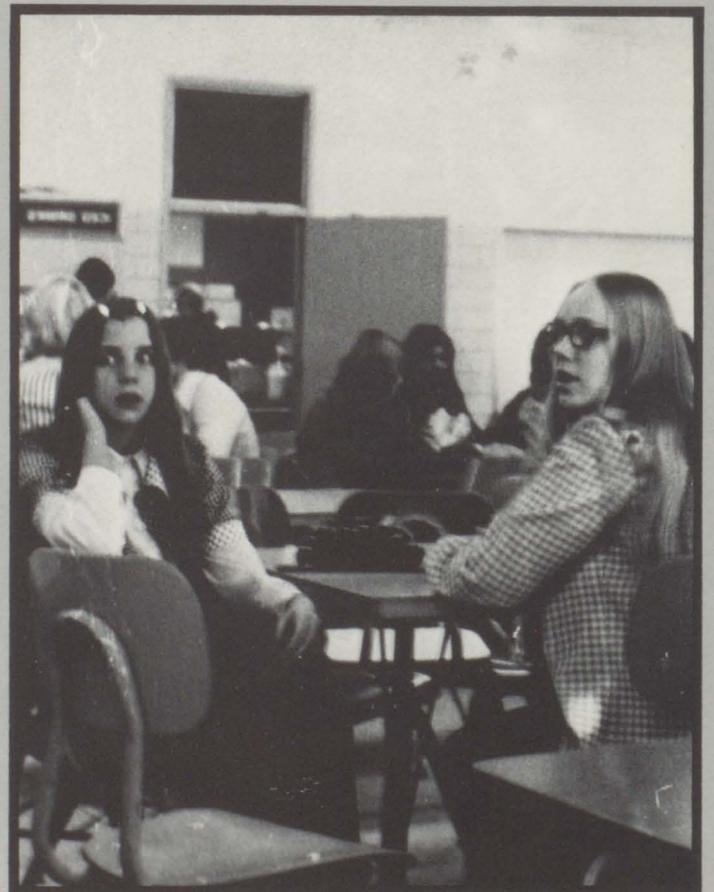

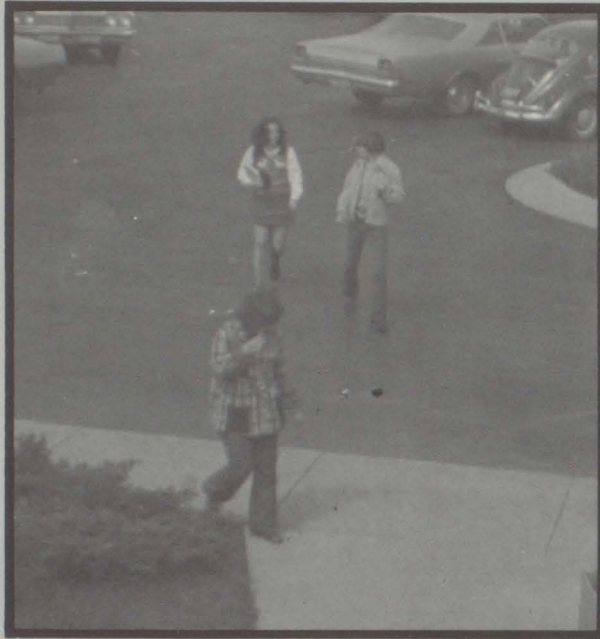

Longfellow

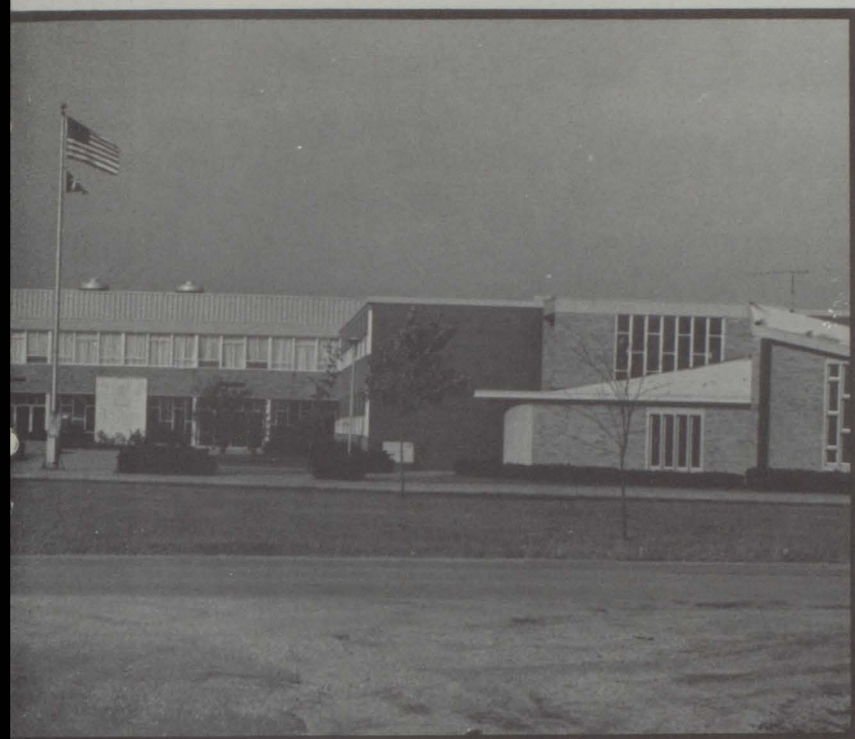

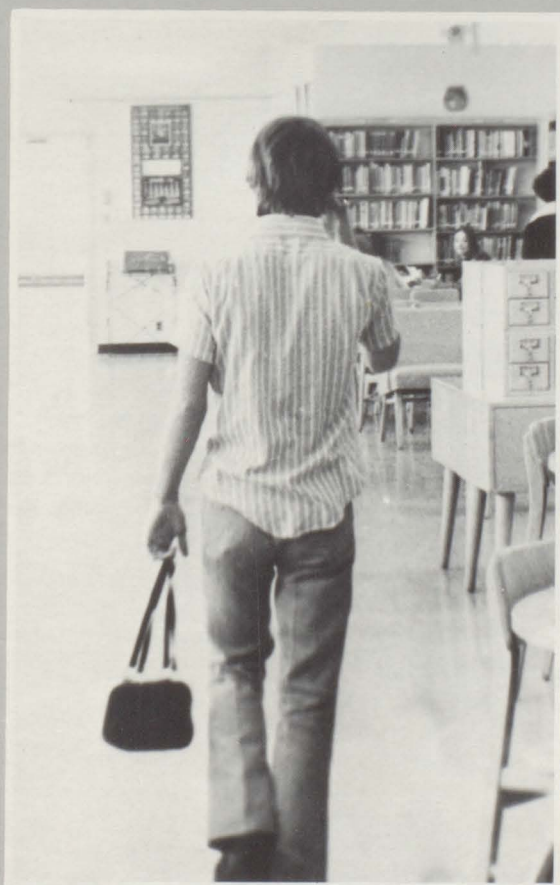

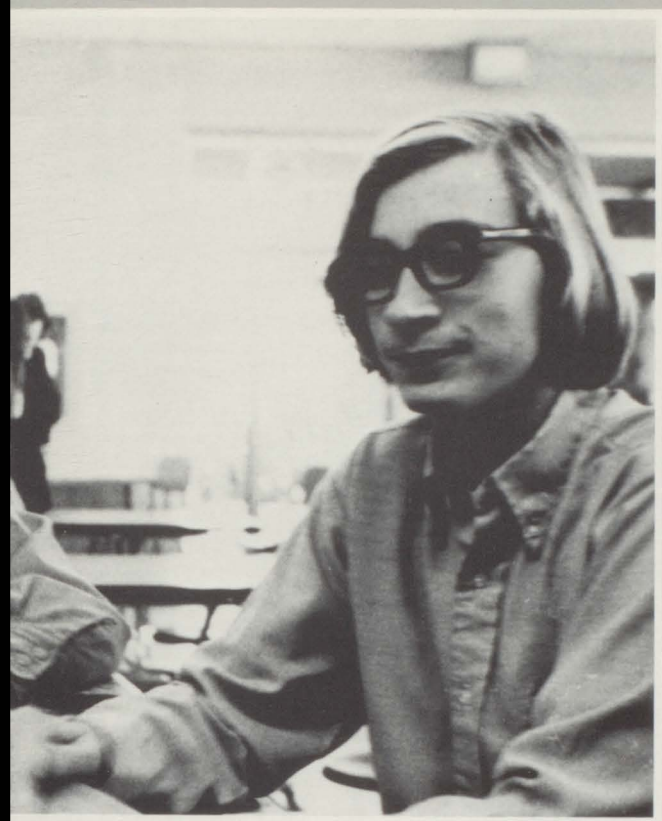

Some day Love shall claim  
his own  
Some day Right ascend his  
throne,  
Some day hidden Truth be  
known;  
Some day-some sweet day.

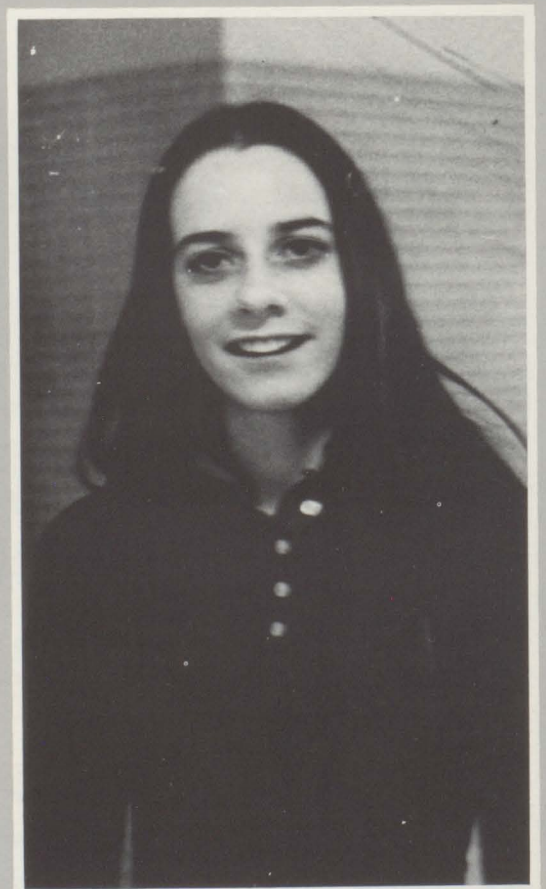

Lewis J. Bates

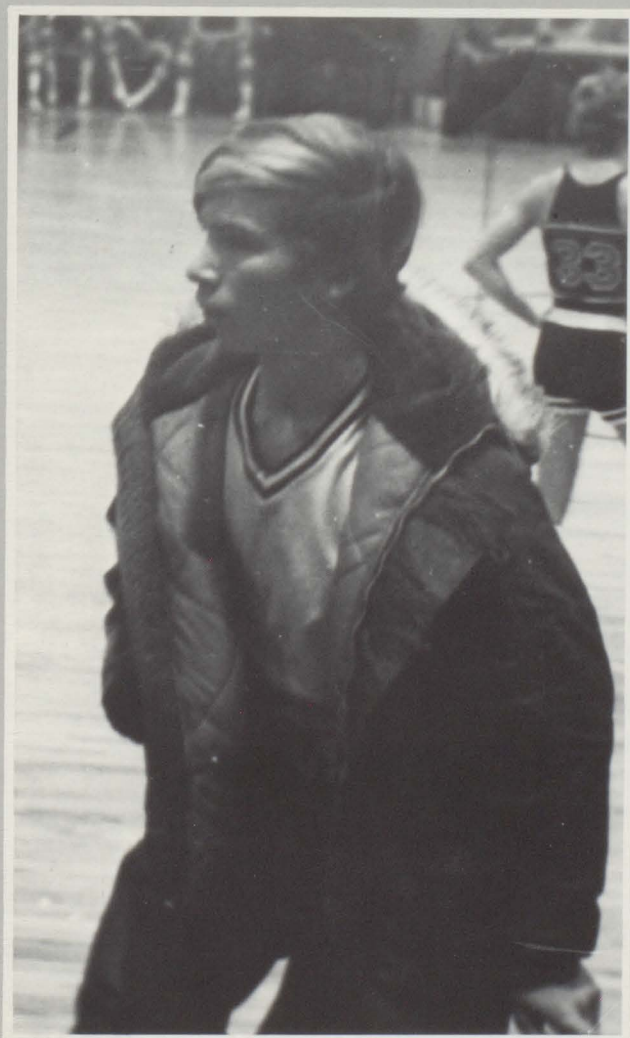

For I dipt into the future,  
far as human eye could see,  
Saw the vision of the world,  
and all the wonder that would be.

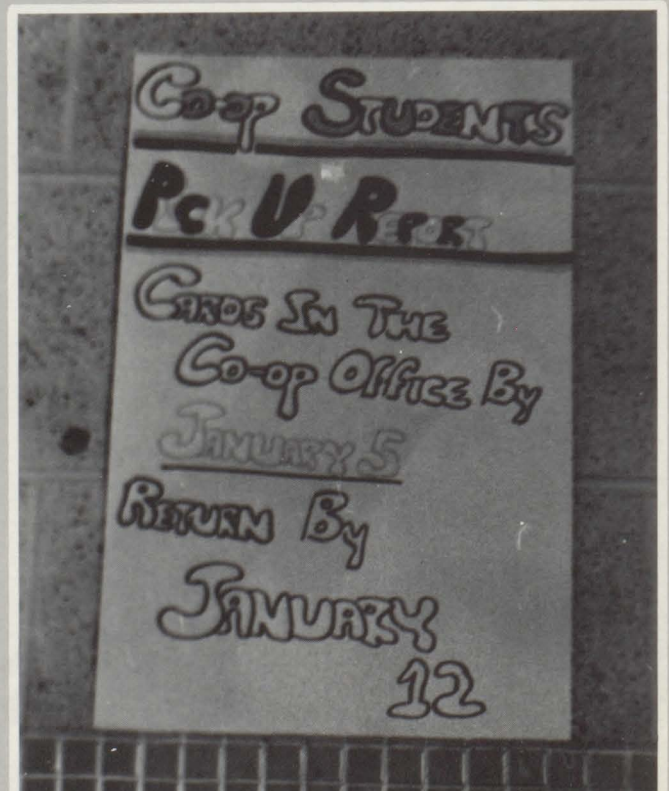

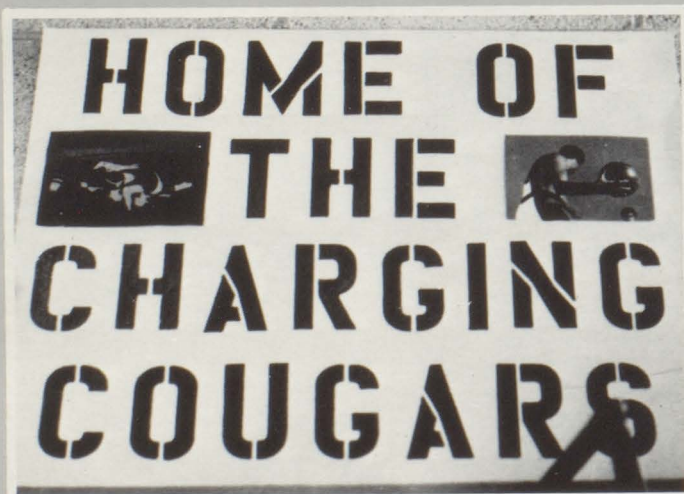

Alfred, Lord Tennyson

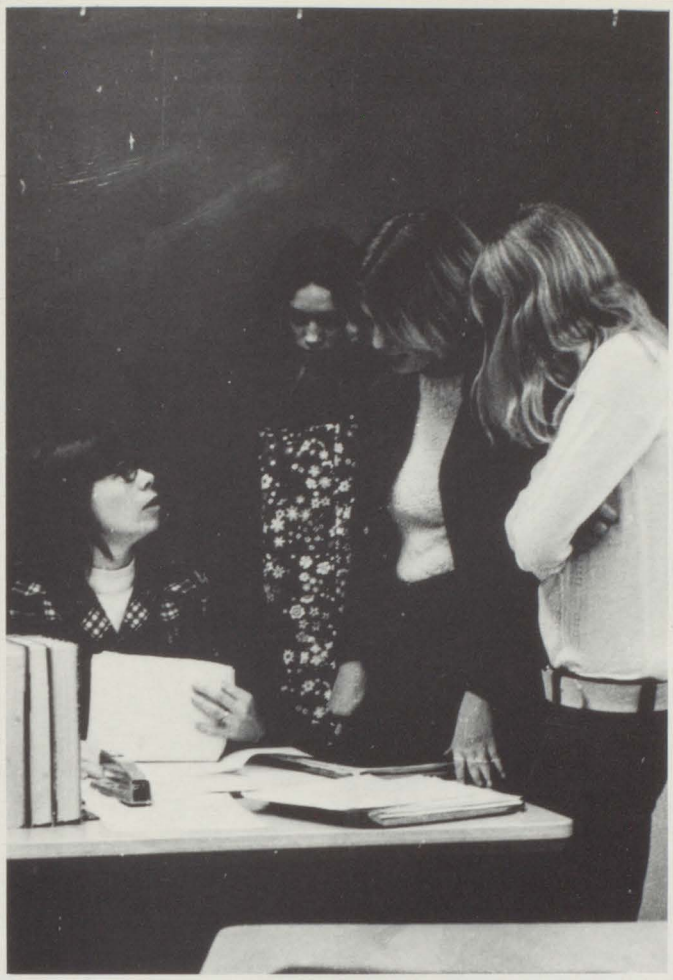

Time present and and time  
past are both perhaps in  
the future, and the future  
contained in the past.

Thomas S. Eliot

You cannot fight against the  
future. Time is on our side.

Wm. Gladstone

# Cougars Put Their Paws Down

The Cougars were really on the prowl this year. Their six and three season was climaxed by a twenty-nine to twelve victory over cross-town rival PH High. Coach Dickey and assistant coaches Nesbitt and Elliot really rounded out the Cougars this year. They showed they wanted to win and proved it on the field. Hail to the victors at PHC!

The J. V. Football record this year was 1-6. The victory was a 14-0 triumph over Marine City. Even though the season was disappointing our future Varsity played their heart out in every game and deserve a lot of credit for their fine effort on the field.

Co-Captain, Marty Ureel, takes a break from running during Cross Country practice. The Cross Country team had a fine season and represented our school well.

The Varsity Basketball season wasn't really as bad as the records showed. There were some very bright spots throughout the 1973 season. A few breaks and the mighty Cougars would have been fighting for the S.C.A.L. crown along with Marysville and St. Clair. It so happened though that the Cougars dropped 3 games in a row by 2 points or less. The Cougars were led by top scorer Paul Ruffin and leading rebounder Jim Carty. New Coach Gordie Jamison took over in the middle of the season and did a really fine job.

ABOVE: Algonac and Port Huron Central varsity basketball players gather around for a rebound.

# J.V. Squad Works to Develop Sportsmanship

Even though the J.V. team did not compile a very good record, they accepted defeat well and their desire to win carried over to every game. New head Coach Pat Cogley instructed the boys well and was very proud of his team.

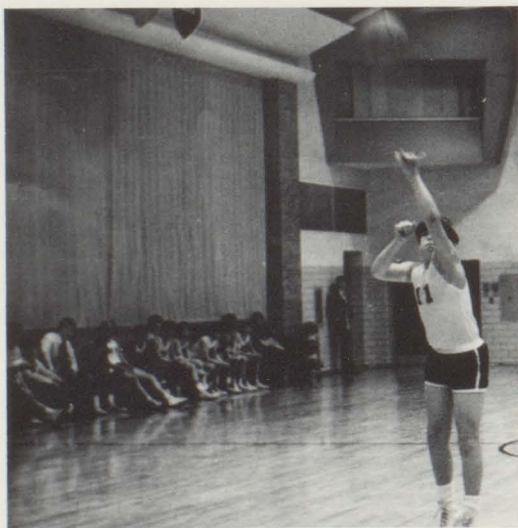

TOP ROW L. TO R.; S. Sams, G. Carlisle, R. Banks; Coach P. Cogley, S. Stevenson, J. Martinez, S. Vickery. SEATED L. TO R.; J. St. Pierre, R. May, P. Toth, R. Walker, R. Fernandez, and M. Ureel.

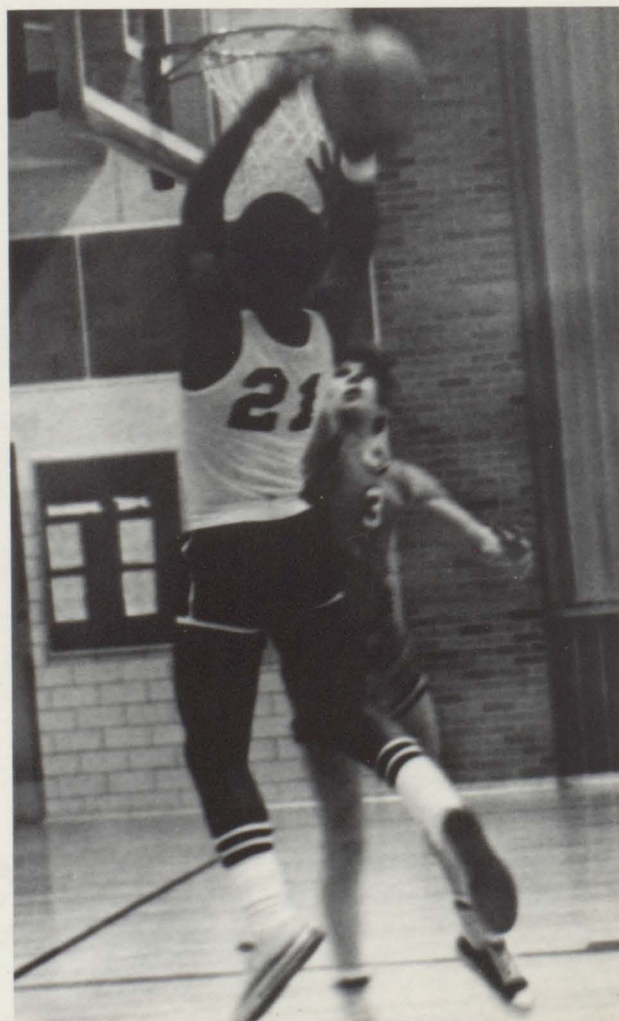

# Baby Cougars Strike Victory!

TOP ROW L. TO R.; K. Wilkinson, K. Wimberly, J. Kovach, K. Esseltine, R. Williams, Manager G. Torello. MIDDLE ROW; E. Radske, M. Glombowski, K. Langolf, Coach G. Repp, J. Richards, M. Grace, G. Wessel. BOTTOM ROW; C. Schultz, T. Strotskey, C. Jensen, B. Johnson, D. Maveety, and B. Middleton.

The Freshmen proved to be worthy opponents in the St. Clair Area League as they compiled a record unmatched by JV and Varsity teams. Coach Greg Repp drilled the team well and brought into play new ideas for the future Varsity athletes.

## PHC Putters Bury Competition

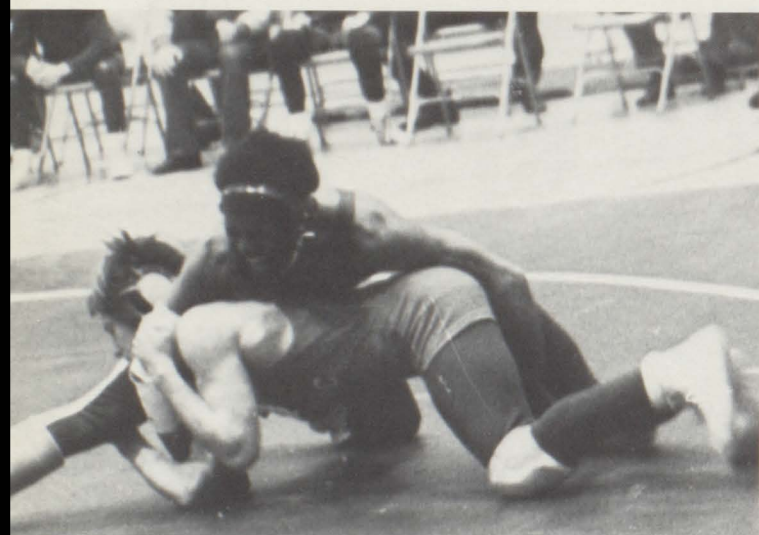

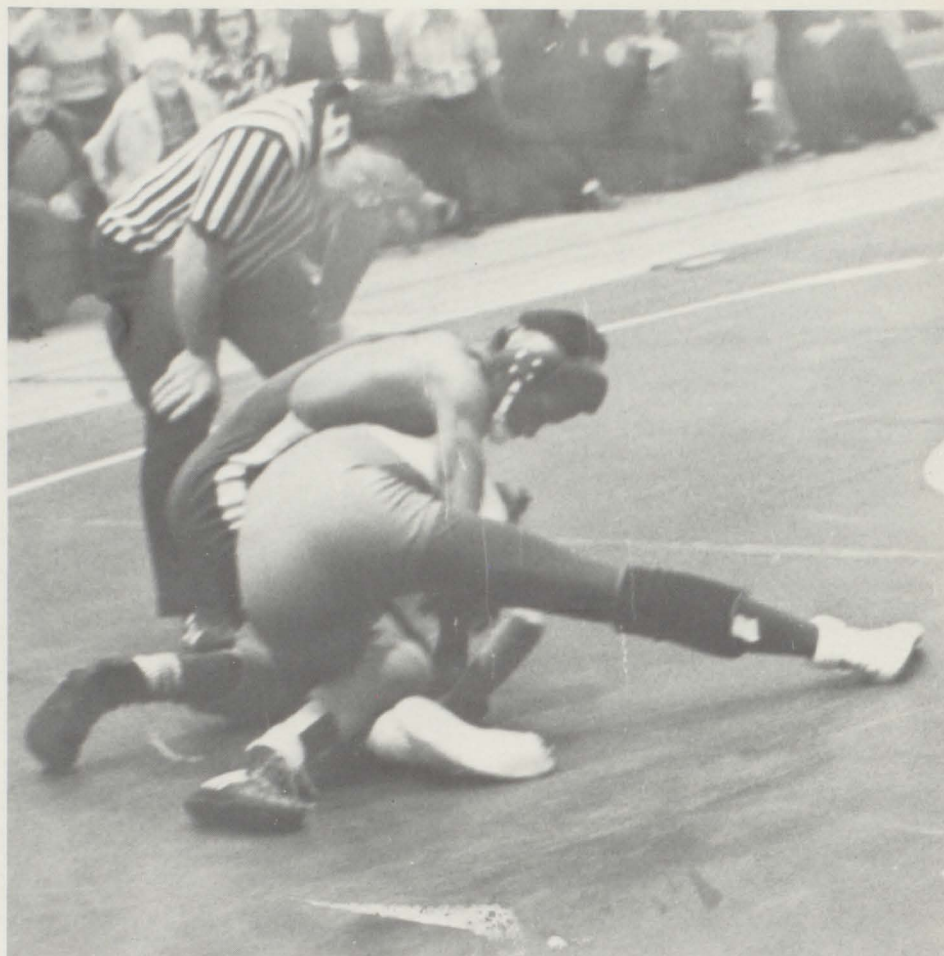

The Golf team enjoyed a very fine season this year. They finished 5-3 for an overall record and placed third in the league meet. The Linksman were under the leadership of coach Tom Coleman and were headed by captain Steve Glombowski. The golfers played their home matches at Black River Country Club.

L. TO R.: S. Glombowski, M. McDougal, C. Shultz, R. Umphreys, Coach T. Coleman, R. Wilkinson, R. Fernandez, E. Urban, and B. Peterson.

# Matmen Bring Opponents Down

PHC wrestling team enjoyed a very fine season. Before they got under way our wrestlers were predicted to win the class B title. This prediction looked like it was going to become true as our wrestlers completely demolished every team they faced at the first half of the season. But when the 2nd semester started injuries and ineligibility of some key players required Coach Hudson to use some JV wrestlers in their place. Some of the great achievements performed by the wrestling team were the shallacking of arch-rival PH High 51-3 and winning the Sarnia Invitational Wrestling Tournament.

BOTTOM ROW: G. Buckles, T. Sutton, D. Haeck, T. Valentine, B. Livingston, P. Logan and F. Sutherland. MIDDLE ROW: Coach B. Christick, R. Philips, B. Thigpen, M. Miller, K. Munce, S. McCormick, and Head Coach J. Hudson. TOP ROW: B. Langolf, D. Berry, R. Kilbourn, M. Wessel, B. Stokan and D. Nalepa.

# New Cheers Complement Team Spirit

Aiming for school spirit is one of the many goals of the Cheerleaders. Members of the Varsity Squad are Jane Falk, Maxine Mills, Rose Muter, Julie Dinnen, Cheryl Simpson, and Kathy Haas. J.V. Squad consists of Diana Moore, Joy Gram, Bonnie Torrey, Gail Gross, Cindy Kelly, Terry Maxwell, and alternate Patti Crisson.

Co-op is mainly for Seniors and second semester Juniors. It's one way to obtain money and get a credit at the same time. Most students who take Co-op, are in the process of preparing for after-high-school jobs.

## Co-operate Give a Kid a Job

# Smile; Photo Club's Watching

Some of our clubs this year have been classes. This is one of the unusual ones. Photography Club is really a class. The members of the club learn about types of film, lenses, cameras, special techniques and how to make your pictures better. The members are trying to raise money to make the Sacristy a darkroom. One of the ideas was to take pictures at the Senior Prom.

BACK ROW (LEFT TO RIGHT) Sandy Gross, Rick Pettibone Jr., Joey Johns, Dave Whitford. FRONT ROW: Dennis Bassett, Dick Howard, Tiny Valentine, Dave Groulx, Don Howard.

# Ski Club Snowed Out; Almost

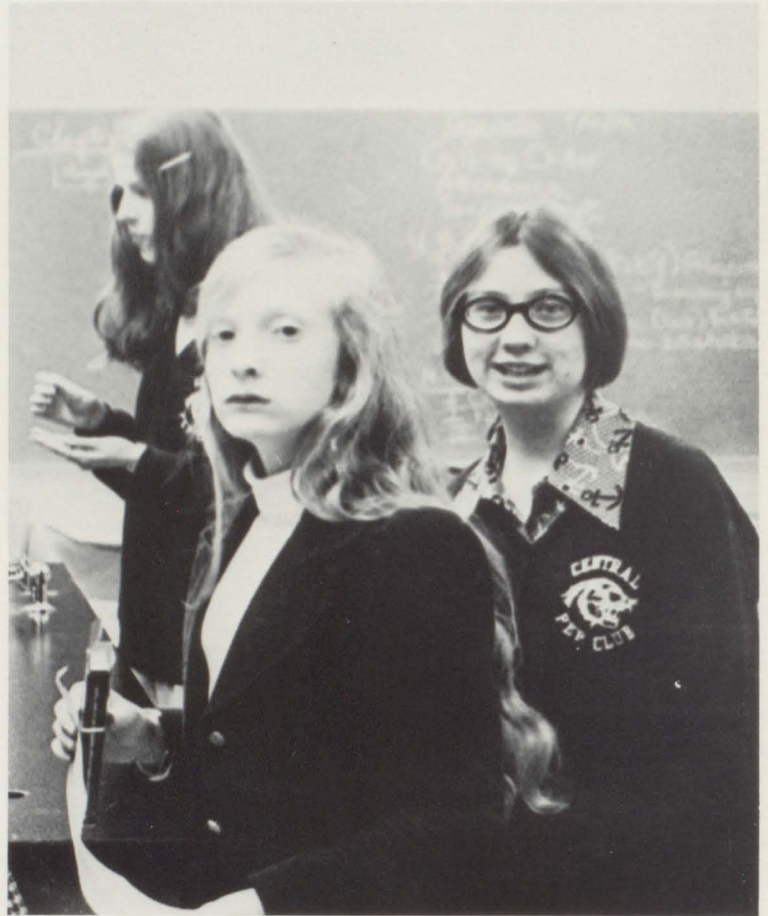

Ski Club didn't have a very good chance of being one of the most active groups at Central. February was really the only good month for skiing. Black Forest set Wednesday nights for Central's Ski Club this year. They decided not to plan a skiing trip as usual because of the weather in Michigan.

# Pepsters Put Up Peppy Posters

Pep Club was very active this year. Their main activity has been putting the school song on a poster. When it's completed it will be placed in the gym for the student body to see. This year, like last, they sponsored a poster contest, which the juniors won, and spectator buses to football and basketball games. The club gets its money from concessions during the football games.

In order to become a member of Varsity Club you must have a varsity letter and go through initiation. The club has an exchange student from Finland; she got her letter in tennis. Their main goal this year is to buy a net for baseball and golf. The club earns money by selling refreshments at all the home basketball games.

Varsity Club also took third place in the Pep Club's poster painting contest.

# NHS Sponsors Family

National Honor Society is more than just a group of brains sitting around talking, they are also a charity group this year. They took children from the Juvenile Home to McDonalds at the childrens request, and sponsored a dance after one of the basketball games. At Christmas time, NHS's main project was providing clothing, toys, and food to a needy family in town.

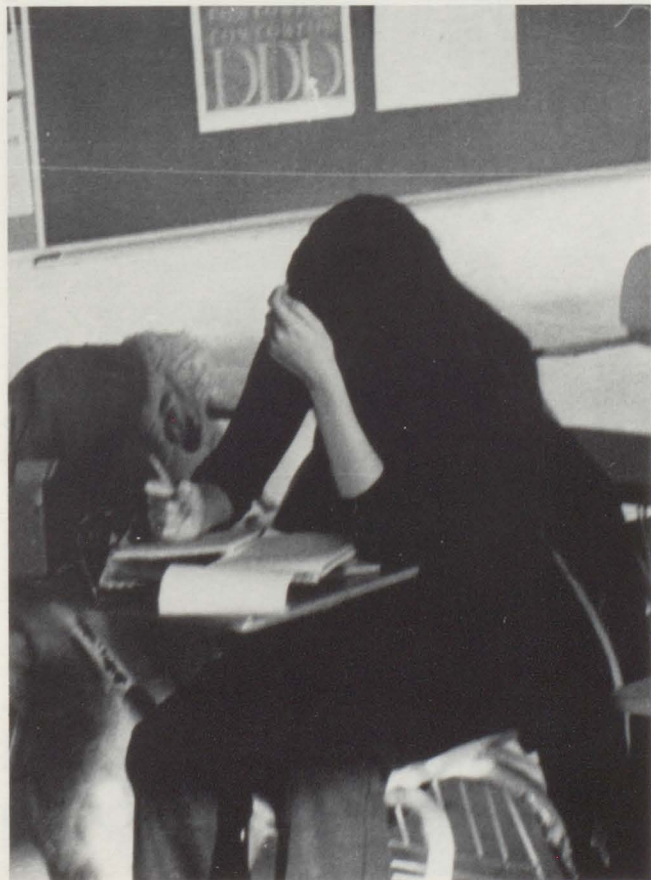

NHS MEMBERS-BOTTOM- Mary Ureel, Sharon Klemmer, Kathy Gossman, Steph Day, Cathy Canham, Steve Glombowski. 2nd ROW, Mike Wessel, Ann Hamden, Terry Cummings, Lori Martin, Cindi Albert, Rose Muter. 3rd ROW, Randy Fernandez, Karen Richmond, Beth Hayes, Ellen Schefler, Diane Hooper, Tanya Green, Glen Hillaker, Sam Clor, Mrs. S. Hyde.

# Debaters Take Honors

DEBATE TEAM: Joanne Zomaic, Marcia Reynolds, Nancy Paulus, Cindy Lawrence, Marcie May, Sue Whitsitt.

Debaters were off for a terrific season this year. With a team that goes all out for PHC, how could they lose? This year's topic on which they spoke was, Resolved: That Elementary and Secondary Education in the United States should be financed exclusively by the federal government. They must have done well for they brought home three trophies; Top Speaker and two Invitational trophies including Top Affirmative Team.

# Language Clubs Speak Out

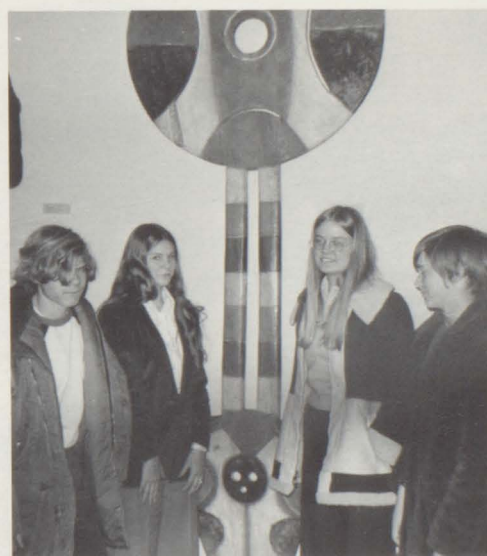

Port Huron Central Language Clubs consist of French and Spanish. Both are sponsored by Mr. Sarnarcki. Between the two clubs, they have done almost everything. Both the clubs have visited the Detroit Institute of Arts. The members earned the money through candy sales. The Spanish Club participated in the Halloween window painting contest. The French Club traveled to Sarnia to listen to a French Band, "Les Karrick." In October the class was honored with guest speakers Mamuel Amaral, well known abstract artist, and his charming wife, Carlotta O'Neil, well known journalist, both of Mexico City.

FAR LEFT: Mr. Sarnacki and students are seen with some band members of the "Les Korrick". TOP LEFT: Members of foreign language enjoy the Detroit Institute of Arts. LOWER LEFT: Fred Cesefski and Steve Cameron look over one of the many sculptures. BELOW: Michelle Cote, Denise Wollen, and Karen Petho enjoy some of the splendid art. # Students Become Journalists

NEWSPAPER CLASS (LEFT TO RIGHT): Jim Cambridge, Frank Sutherland, Celeste DeRocher, Jeff Kleinstiver, Sally Greene, Fred Cesefski, Sue Whitsitt, June Wedge, Hope Neeley, Lynn Burney, Advisor Miss Ballard.

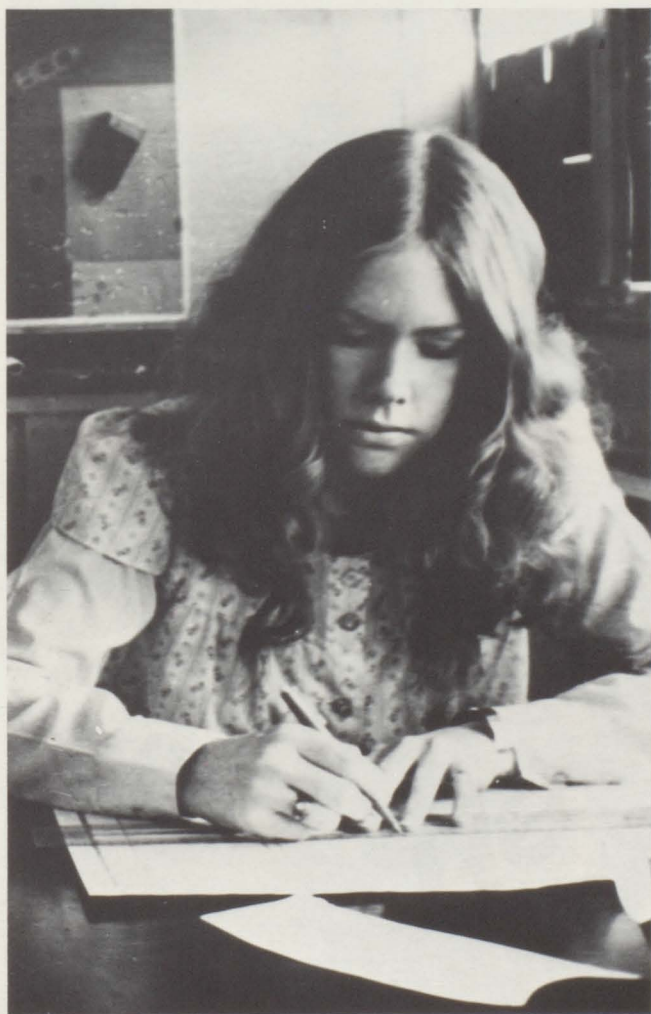

You've heard the saying "They'll get better with more experience." The Newspaper has certainly proven this statement to be true. Newspaper, like Yearbook, is a class for academic credit and every month the ten students put out the Cougar Chronicle. With the help of Miss Ballard they've made the Chronicle a top rate high school newspaper. The Chronicle keeps the student body informed on clubs and activities along with having many other interesting features.

YEARBOOK STAFF , L. TO R.: BACK ROW; Ross Campbell, Cindi Albert, Adrienne Eaton, Carmela Cini, Denise Fayed, Rick Pettibone, MIDDLE ROW; Co-Editor Terry Cummings, Marty Langolf, Debbie Stein, Dianne Johns, Kathy King, BOTTOM ROW; Co-Editor Joey Johns, Pam Jackson, Debbie Edwards, Randy Fernandez, and Russ Brown.

If you would have been in Yearbook Class this year, you would have been surprised that we ever turned the book out. First of all, out of twenty members of the Yearbook Staff, only three had ever had any experience in Journalism. By October, a majority of the class wanted to quit. They were very discouraged. It seemed like it was impossible to make deadlines and everything we wanted to do cost too much. So we decided to offer the Yearbook as a Christmas gift. By the end of February we finally got everything together and sent in our final deadline. We patiently waited for May to see our book.

# Choir Sings Out for Central

Acappella Choir once directed by Mr. Pettibone appeared at many school assemblies and special concerts. One outstanding concert was the Christmas Cabaret in which they put on a fine performance. A special feature in the Cabaret was a skit put on by members of the choir, in which they sang and performed "Twas the Night Before Christmas."

Mr. Krause the new choir teacher, has done a lot for the students and choir itself. The Acappella Choir has also raised money by selling candy for choir robes. With the help of the student body the choir has done much to add spirit to this school year. We all appreciate their music and presence at the many school activities.

1971-72

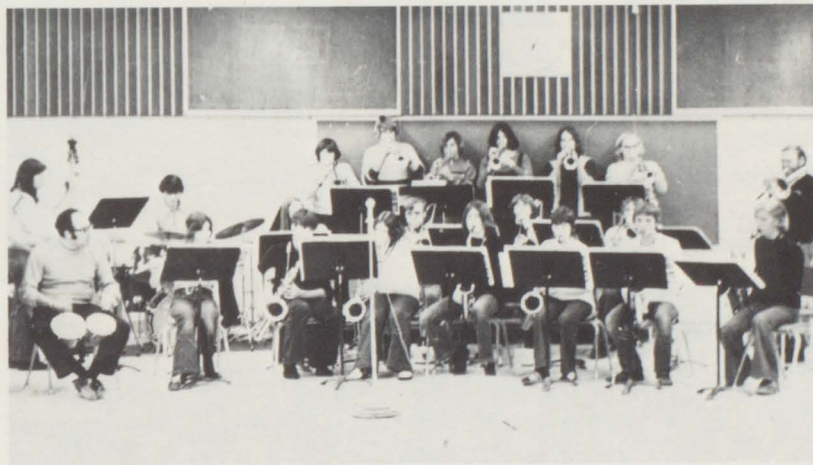

## And The Band Played On

There were three bands this year: Honors, Cadet, and Jazz Band. All three were classes. Jazz band meets Monday night too. A Christmas Cabaret concert was given and the Honors or Concert Band played. Concert Band has also played for all the pep assemblies.

# Royalettes Show Terrific Spirit at Games

Port Huron Central Drill Team under the direction of Mrs. Cambell had a busy worthwhile year. They practiced three times a week after school. The girls selected and made new uniforms for basketball season and throughout the year. They performed at football games, and assemblies.

## Future Nurses Help Community

Every Monday night Future Nurses meet after school under their advisor, Mrs. Wittiker. The girls contribute to the community by working at Port Huron and Mercy Hospitals. Their duties are to serve patients and train for nursing service. FNA earn money for their treasury by selling candles each Christmas.

# G.A.A.: Is for Girls Only

G.A.A. is an athletic group of girls who meet every Monday and Thursday night. They participate in such sports as: soccer, basketball, badminton, volleyball, softball, and track.

The S.C.A.L. soccer sports day was held at Algonac this year, and our "B" team took first place for the second time in a row. The basketball sports day was held at Marysville. The trophies for these sports are proudly displayed in Central's trophy case. Other sports days were held during the year to decide the champions for the remaining activities.

## In Memory of:

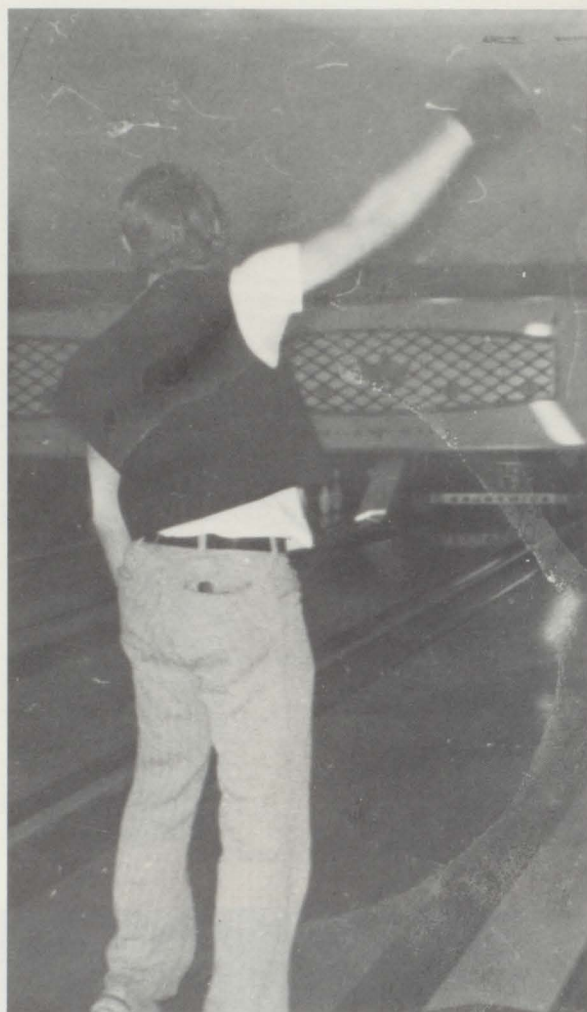

Vicki Roelens was a member of the class of '74. Vicki was well liked by both the student body and the staff. She loved sports and was an active member in G.A.A. We have lost Vicki as a person, but her friendship we will never lose.

## Keglers Strike Ten

Throughout the year Port Huron Central's Bowling Club competes against other teams at the Holiday Inn on Thursday afternoons. Every week the members bowl three games. At the end of the year four boys and four girls are chosen to play against Port Huron Northern High School and Port Huron High. The second year of Port Huron Central has proven that the Bowling team has put more effort and more spirit in participating in Student activities.

# Campus Life Brings People Together

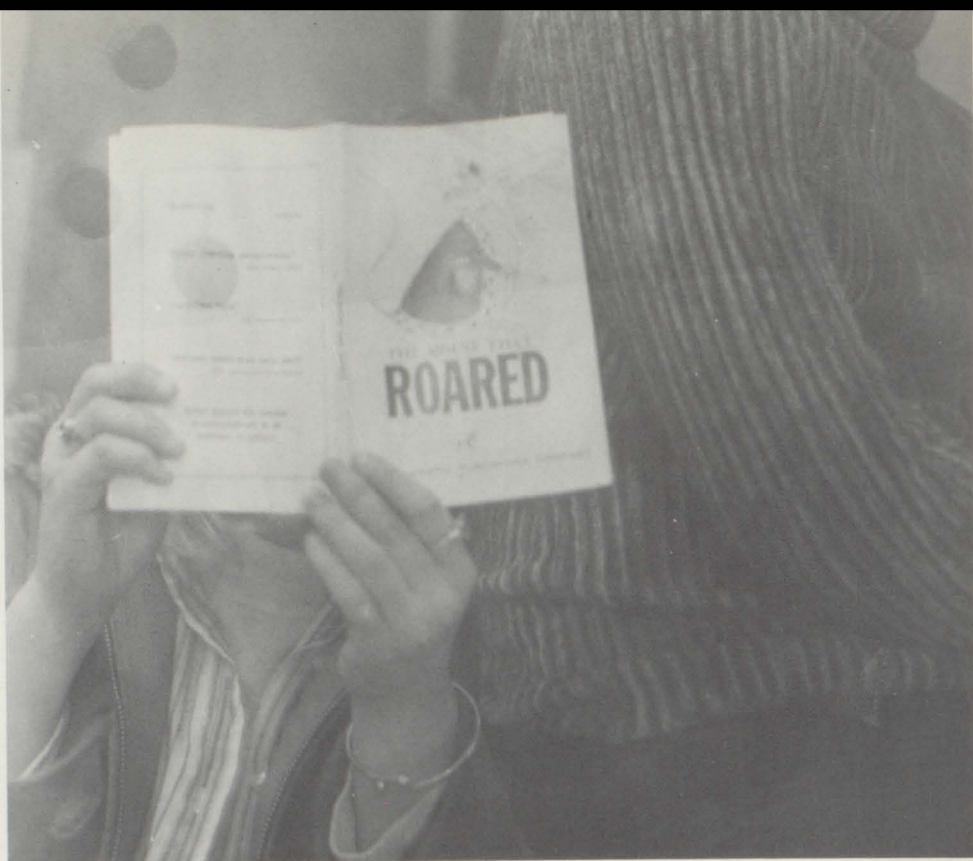

Campus Life has done a lot to arouse many students interests. Every Monday night Campus Life meets and discusses certain topics brought up. The Burger Bash was one to consider and it turned out a great success. The student body was entertained in an assembly by "The Connection", and their Scream in the Dark interested many students. This year Campus Life has showed a lot of spirit.

STANDING: Maxine Mills, LEFT TO RIGHT: Sherrie Mills, Marty Ureel, Nancy Greene, and Kim Finn.

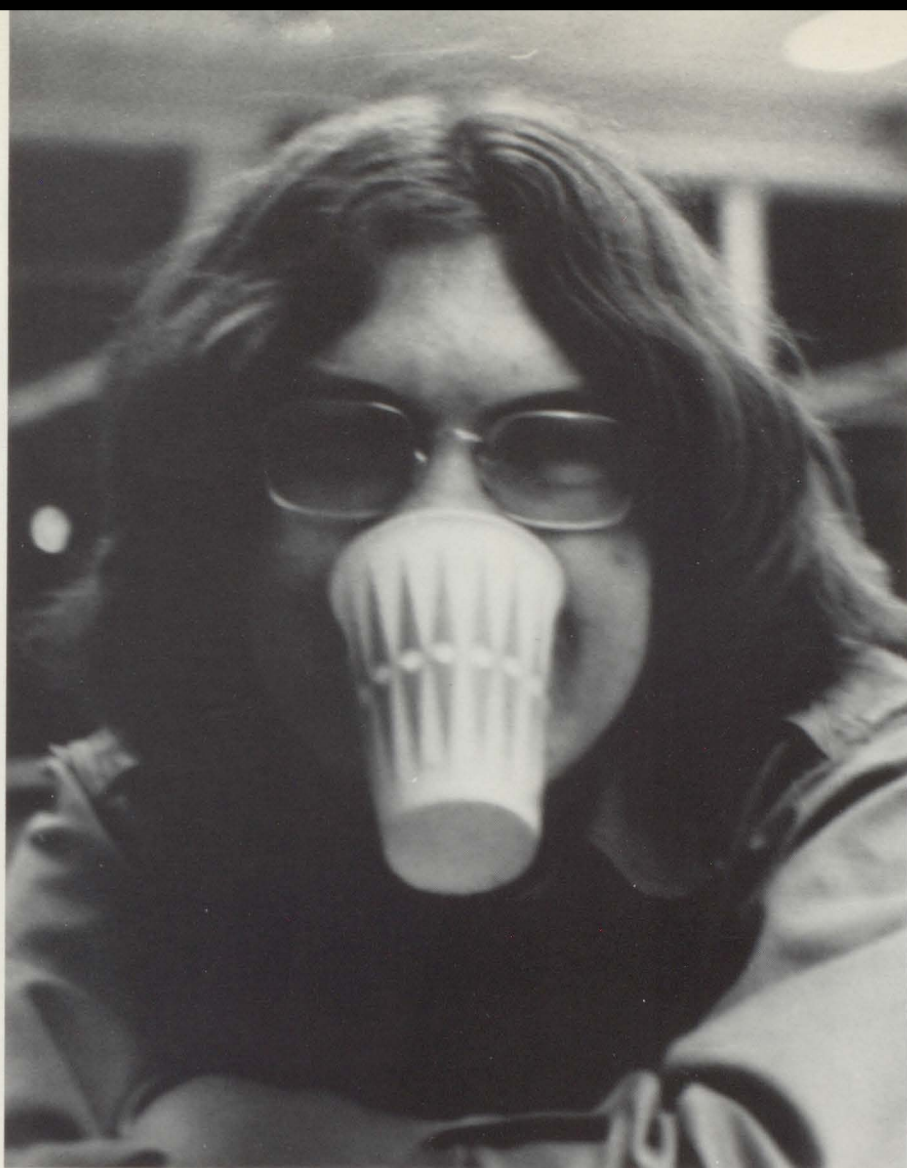

## Dramatists Display Theatrical Talents

Involvement was a key word in "The Mouse that Roared". From sets to make-up to acting, director, Mrs. Stevens, rounded everyone into a unified group of students and teachers to produce our second annual all-school play. The story revolves around a tiny country in Europe known as the Duchy of Grand Fenwick. Their main complaint is that the United States is taking away their only means of support by imitating their product, Pinot Grand Fenwick. The wine causes Grand Fenwick to declare war on the U.S., and by a strange occurrence, Fenwickian soldiers capture the Q-bomb.

FAR LEFT ABOVE, A shy Ellen Schmidt hides behind her copy of "The Mouse that Roared". FAR LEFT BELOW, Ted (Tully Bascom) Smith waits for another day of rehearsal to begin. RIGHT, Whoever said acting ability always came naturally? David Groulx practiced for hours to get the splendid effect you see here. BELOW, Director Carol Stevens arranges paperwork on sets, costumes, make-up, and characters.

# Spirit Cries Out

This year's Spirit Week was one that will be remembered by students and faculty years from now. Almost everyone got involved in the many activities. Who can forget seeing Santa Claus, Julius Caesar, or Hitler roaming around school on Impersonation Day, or the crowds gathering around the fishbowls during the morning, in between classes, and after school, and finally staying at school all Friday afternoon and night to work on the class wall? The week began with Teen Angel Day (and it certainly looked like a day from the "Fifties"! ). It ran on with Impersonation Day, Jail-Bail Day, and all the activities the day before the game: the soccer games, the tricycle races, the three-legged races, and the egg toss. There was also class competition for the best poster displayed at the game. In the end the seniors won the most points, and the money in the fishbowls, with the sophomores running a close second and the juniors and freshman coming in third and fourth, respectively.

OPPOSITE PAGE: ABOVE LEFT-Bill Livingston and Sandy Damaschke participate in the three-legged race. FAR LEFT-Teen Angels; Cindy Lawrence, Diane Johns, Theresa Wessel and Paul Tetreau. THE QUEEN AND HER COURT: Bonnie Torrey, Freshman; Cheryl Simpson, Joan Maveety, Sophomores; Dora Smith, Freshman; Patty Crison, Cindy Colby, Beverly Russell (Black representative) Julie Dinnen, Juniors; Janet Smith, Laurie Smith, Queen Stephanie Simpson, Mary Ureel; Seniors.

# A Real Celebration

What can you say about an evening that was full of excitement and surprises? Only that it will be an evening that you will never forget. For the freshmen it was their first Autumn Festival. For the whole school it was the first complete Homecoming. We chose our first queen and decorated our first class walls, in which the juniors took first place. It was also the first time we won our game, against undefeated Chippewa Valley in our second year of existence. At the dance everyone listened intently as Marc Galan attempted to announce Stephanie Simpson queen. Between Tom Petrossi trying to pick up a dummy in the park and Dan Reynolds hamming it up, the festival was far from boring. Next year can only offer more success.

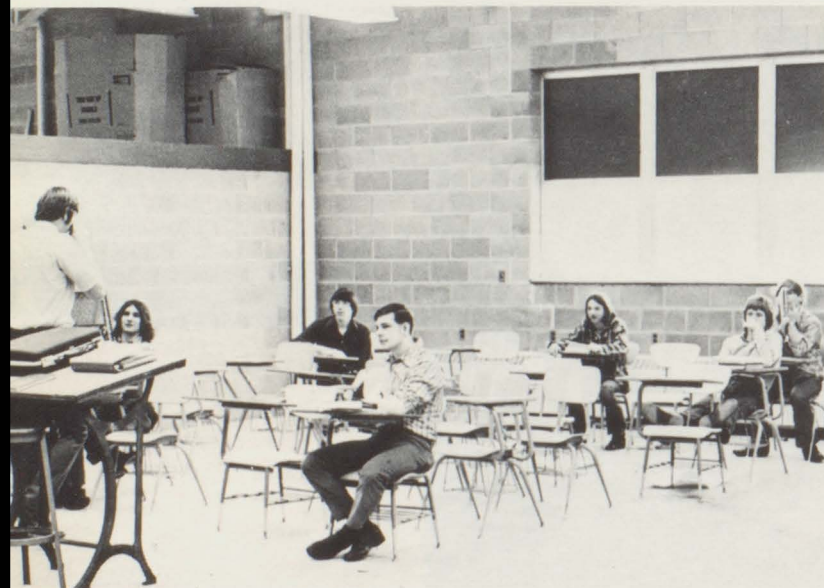

## **Central's Activities Are Unique**

# New Addition Strengthens Voc. Ed. Courses

PHC has expanded itself by adding on some new rooms. If you walk into the far north end of the school you will notice that we now have two new classrooms, three shop rooms, and some more desperately needed lockers. In the shop rooms there are many new automatic machines and some new drafting tables. All of these things are badly needed because many students had to be transferred to PH to take the classes we couldn't offer. But now these areas are finished and everyone is happy that the addition could be used starting second semester. This is one of many firsts that tell us that Port Huron Central is concerned with the needs of students.

# Janitors and Cooks Maintain School

The custodians and cooks here at PHC have many duties. Besides taking general care of the building, our sanitary engineers take daily care of the flag. The cooks also carry a heavy load. They prepare and send out lunches to about 4 or 5 grade schools in the area.

# "Today Is Yesterday's Tomorrow"

This year has been a very memorable one for the seniors, as they blazed the way for the classes that will follow. The Autumn Festival, crowning of the first Queen, the football games, Spirit Week, and pep assemblies made this year great. Even though they didn't want to come here, after two years of attending a different school, they have adjusted exceptionally well and have taken their rightful place as first. Their motto is "Today is yesterday's tomorrow." Their colors are light and dark blue. The seniors also have put on Central's first Senior Prom.

Congratulations!

Maybe all your high school diploma means to you right now is that you've finally made it through twelve long years.

But in time it's going to mean a whole lot more. It's going to mean that you'll earn approximately \$100,000.00 more in your lifetime than you would have earned if you hadn't finished high school.\*

We wish you success and hope you'll be as wise in making future decisions as you were when you decided to finish high school.

There's a good time coming, boys;  
A good time coming:  
We may not live to see the day,  
But the earth shall glisten in the ray  
Of the good time coming.  
Cannon-balls may aid the truth,  
But thought's a weapon stronger;  
We'll win our battle by its aid,  
Wait a little longer.

Chas. MacKay-THE GOOD TIME COMING
